Dear Confreres,

It is indeed a momentous occasion for us as we start intense preparation for the new academic year 2018-19 with the announcement of the new appointments and transfer of personnel in our institutions. I thank the Almighty for being with us during the last one year and guiding all our work. My special thanks to our dear Rector Major and his Council for his constant guidance and in a special way for approving the appointment of new Rectors. I know that at times transfers can be a little hard to accept, especially in a large and diverse Province such as ours, but with a spirit of dialogue and discernment, I must say that, all our confreres, both young and old, love Don Bosco and the Salesian Mission. Obedience to the will of God is possible only because of this undaunted commitment to Salesianity that each one of you have shown.

My special gratitude to the following confreres for having served the Province as Rectors. We wish them success in their new responsibility which they have accepted very willingly.

- 1. Fr. Robert Alphonse**

I am immensely grateful to the following confreres who have willingly accepted to continue their second term as Rectors and to offer their dedicated commitment and service to the community and mission:
